Thank you to Doug Plut for cleaning the graffiti off the High Woodlands sign and keeping it well lit.

Thanks go out to Ron Zoeller for maintaining the area around the sign to keep the entrance to our neighborhood looking nice.

Dolphin Swim Team

Registration for the High Woodlands swim team has begun. To join the team a swimmer needs to safely swim the length of the pool without touching the bottom or hanging onto the ropes.

To receive the best price your registration forms must be postmarked by May 8th. After that the price increases \$20.00. We have a swim team website that can be accessed through the High Woodlands website. From there you can download the registration forms.

This is Crystal Lee's final year as manager and we are looking for someone to come on board, learn the ropes and take the helm for next year. Will you be that person?

You can check the website for other job opportunities to help the team run smoothly.

The start date for this year is May 18th. Join the team and have lots of fun.

Eagle Project Benefits the Pool

When we replaced the pool deck the lifeguard stand was not put back in. For several years we have not had one. Justin Lee has designed one with the specific requests from the pool manager and a few lifeguards. Then with the assistance of a few adults and several scouts they set to building it one very cold weekend in January. The result is a wonderful new

chair, complete with umbrella stand and cup holder (to

keep the guards protected and hydrated). The cost of the chair was about one third of what it would have been to purchase one. We thank Justin for choosing to help the High Woodlands community and congratulate him on achieving the rank of Eagle Scout.

If you have a graduating senior this year please let us know so we can recognize them in the June newsletter. Send us their name, school graduating from and future plans. Email the information to any board member by May 28th.

We are running this again because the thefts are still occurring. Vehicles are also being targeted.

Be Alert!

We have been advised that there has been a rash of home break-ins and thefts in the Kingsgate and High Woodlands area. The latest was when thieves entered through an open garage door and took many items, while the owners were home. Keep a watchful eye on your part of the neighborhood and keep your house secure.
