Welcome to the 2008 Season!!

School is out and the pool is open full time! Whether you want to cool off in the pool, relax and read a book, chat with friends, meet new neighbors or just soak in the rays the pool is a fun place to be.

This summer we are adding two new events to the pool schedule. After the 4th of July on Mondays from 8:00 - 9:00 pm we will have RAT BALL for

those ages 13-18 years old. On Wednesdays we will have an ADULTS ONLY swim from 8:00 - 9:00 pm. This is for those 18 years and older. We will still offer rentals on those evenings they will simply be available starting at 9:00 instead of 8:00 pm.

Check in this newsletter for information on pool hours, rentals, swim lessons, swim meet schedule and pool rules.

Please remember that we

High Woodlands Pool

do check and only admit homeowners who are current on their dues. If we show you are not current we will ask you to contact the treasurer. We will not make an exception.

Board Meetings are generally held the first Monday of the month. All homeowners are welcome and encouraged to attend. During the summer they are held at the pool at 7:30 p.m.

Map Your Neighborhood

The Washington State Emergency Management division is rolling out the Map Your Neighborhood (MYN) program across the state, including the Kirkland area.

MYN is an emergency preparedness program intended to help neighbors prepare for disaster, particularly the first 72 hours after a major disaster when first responders are likely to be focused on schools, hospitals, nursing homes, and other priority sites. MYN helps you to learn the im-

portant steps to take immediately following a disaster, to identify the skills and equipment each neighbor has that would be useful in an effective disaster response, create a neighborhood map of gas shutoffs and other items that need quick response, and to create a contact list that helps identify those with specific needs such as elderly, disables, or children who may be at home alone during certain hours of the day. The goal is to enable you and your neighbors to work together as a team to

evaluate your neighborhood during the first hour following a disaster and take the necessary actions.

We will receive a presentation on MYN at the Annual Picnic in August and try to identify leaders to MYN on blocks throughout High Woodlands to get this started. If you'd like to "read ahead", visit <http://emd.wa.gov/myn>.
