Tennis Courts Refinished

The tennis courts were refinished this year and they look beautiful. There is a saying, "If you build it, they will come" and this certainly holds true here. Many families have tried out the new courts and many others have used it repeatedly. The adjoining basketball court was also refinished and has gotten a lot of play time on it by young and old alike. Come on out and play a while!

Lost & Found

Check out the lost and found for your missing belongings and unmentionables. Anything not claimed by the end of the season will be generously donated to needy families in a 3rd world country.

Annexation News

Annexation of our area has been put on hold indefinitely by the City of Kirkland.
The Bothell City Council is conducting a *Feasibility Study* to consider annexing our area into Bothell. This is simply a study to decide if they will look into it further. Nothing has been decided.

Dolphin Swim Team finished 2nd at the Division Championship Meet!

Huge thanks to some of our swim team families as well. Thanks to the Webb Family for donating a freezer to store ice cream for concessions. Thank you to Coach Chris Sarbora for donating a computer for the office. To all

the families who help straighten up after a practice or meet. You are great! Thank you!
