Keep High Woodlands Beautiful

Please do your part in keeping our neighborhood beautiful, simple things like mowing your yard and bringing up the trash cans on garbage day make a difference in how our community looks. Perhaps you have a neighbor that could use a hand... offer to help with yard work or take their can to the top of the driveway. Little things can be a big help to others. It's also a great way to meet your neighbor...who knows they may become your friends.

Did you use the Pool?

This summer our pool was enjoyed by many. We hosted three swim meets, had 50 pool party rentals, taught swim lessons, private lessons and held swim

team practices. Shauna, our pool manager recorded a total of 4412 swimmers for the season during open swim. Of those, 792 were guests and it was

made up from families visiting 1543 times. If you want to get connected to the community, the pool is the place to do it. Thanks for a great season!
